“The Original” Century Club

SUFFOLK COUNTY CENTURY CLUB

Suffolk County wrestling is the toughest in the state. Section XI has won the state title four times in the last six years. Many of the top individual wrestlers upstate will finish their careers with over 100 wins. The feat is less common here due to the abundance of quality competition and the 10 through 12th grade structure of most Suffolk high schools. The wrestlers who do achieve the 100 win mark should be recognized.

An attempt was made to put together an accurate and complete list of all Suffolk wrestlers who had 100 or more varsity wins. Century Club forms were provided for coaches at several meetings of the Suffolk County Wrestling Coaches Association. Information was also included in the S.C.W.C.A. minutes which are mailed to all head coaches. The accuracy and completeness of this list is based on the diligence and integrity of the coaches who provided information. The list will be updated each year as future graduates reach the century mark and as new information is brought to the S.C.W.C.A. about past graduates.

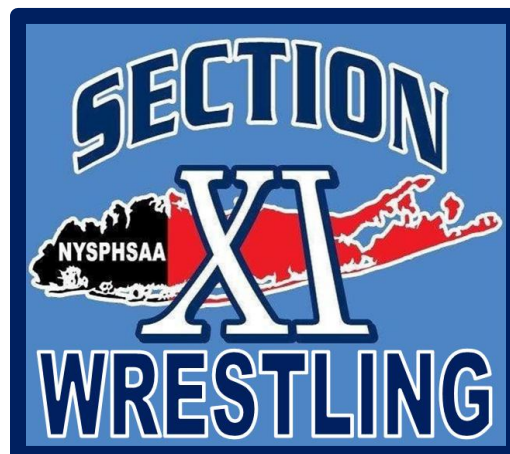

It is hoped that this endeavor will provide incentive for future Centurians. Congratulations to the members of the Suffolk County Century

Christopher Messina; Suffolk's 1st 100 Match Winner
