

From Bellmore JFK Coach Brian DeGaetano

HELLO ALL-

Please help Tommy Glynn '21 and family during this difficult time. Tom comes from a great family and was an All-conference wrestler who helped us win two league championships. Anything you can do, would be greatly appreciated. See below for story and link to donate.

Thanks

Coach DeGaetano

It is with a heavy heart that **The Chapman Avenue Community** of Bellmore, NY is reaching out to you regarding our dear friends.

On Wednesday, February 11, 2025, the Mora and Glynn families experienced an unimaginable tragedy. At approximately 4:30 AM, a fire destroyed their homes. Two houses, side by side. In a matter of moments, everything these families owned — clothing, furniture, personal belongings, vehicles, irreplaceable memories, and all the things we take for granted — are gone!

In this tragedy, the Mora family lost beloved John Mora, a wonderful and kind husband, father, friend, and neighbor. John's wife, Marie, is in the hospital recovering from her injuries. The Mora family's dog and cat (Luna and Kiki), cherished members of their family, were inside the home and did not survive.

Thankfully, everyone in the Glynn family made it out safely.

The members of these two families are truly the kindest, most genuine people you could ever meet – the type who would drop everything to help anyone in need without hesitation. Now, they're the ones who need help. **This fundraiser will be shared equally with these two families as they begin the long process of rebuilding their lives during this challenging time.**

Please help with this fundraiser by contributing whatever you can, and by sharing the link and posting it on your

social media. Any donation, no matter the size, will make a difference.
